

Pickerington Schools
Referral for Grade Acceleration

Please complete and submit this form to refer a student for evaluation for possible whole-grade or subject acceleration. Attach any data from testing completed outside of the school district that supports this request as well as the reason for this request. Include academic and social-emotional information related to this referral.

Students referred for evaluation will be administered IQ testing, achievement testing, and assessment of developmental and interpersonal factors as part of the acceleration evaluation. In order for a student to be considered for the acceleration process the student must have a minimum IQ of 115 or higher.

For whole-grade or subject acceleration to begin at the start of a school year this form must be submitted 60 days prior to the end of the previous academic school year. The acceleration evaluation process generally takes two months to complete.
